

MCU/timer.c

```
graph TD; MCU["MCU/timer.c"] --> driverlib["driverlib.h"]; MCU --> timer["timer.h"]
```

The diagram illustrates a C source file, MCU/timer.c, which includes two header files. Two blue arrows originate from the bottom of the MCU/timer.c box and point to the driverlib.h and timer.h boxes below it.

driverlib.h

timer.h
